Civil Case: 4:22-CV-615-RDP

Claim of Unconstitutionality

PLAINTIFF’S MOTION FOR MISCELLANEOUS RELIEF

COMES NOW the pro se Plaintiff, Gary Wayne Wright II (“Wright”), proceeding in forma pauperis (IFP) to respectfully request the Court grant relief in the following manner:

ELECTRONIC FILING AS A REASONABLE ACCOMMODATION

1. The Plaintiff is requesting permission from the Court for the limited purposes of this lawsuit to be allowed to submit his filings electronically under FRCP 5(B)3B.

2. Wright has a severe and rapidly progressing medical condition (neuropathy and myopathy) which involves frequent medical appointments. He is rated 100% physically disabled (30% Service-Connected Post Traumatic Stress Disorder) by the Veterans Administration, and the chronic pain caused by his

medical condition makes it very difficult at times to function mentally and physically.

3. Allowing the Plaintiff to transmit documents electronically would greatly reduce the physical and financial burden on the Plaintiff having to travel to Huntsville, Alabama to drop off filings with the Court, as well as would reduce costs of litigation and the potential for filing delays or requests for filing extensions due to transportation problems or other issues.

4. In the alternative, the Plaintiff requests permission to file documents by emailing them to the Court clerk for the documents to be printed, checked for correctness, and then filed in PACER ECF.

Respectfully submitted this 27th day of September, 2022.
