Defendants.	)	

**ORDER**

This case initially was assigned to the undersigned magistrate judge pursuant to the Court’s January 2, 2015 General Order for Referral of Civil Matters to Magistrate Judges. Review of the complaint reveals the plaintiff, who is proceeding *pro se*, requests in his prayer for relief a temporary restraining order and preliminary injunctive relief. (Doc. 1 at ¶ 87). This request brings the case outside the General Order and requires reassignment of the case to a district judge.

Accordingly, the Clerk is **DIRECTED** to reassign this case to a district judge randomly drawn.

**DONE** this 14th day of June, 2022.
